	Name:William D. Moeller
·	Title: Chairman & CEO
	Business Address:**Same as above**
	City, State, Zip:
	Phone:
	Please check if any of the above information has changed since previous year.
Minir	ng and Reclamation

If active, how much ore or mineral was mined? Small amounts-less than 1 ton.

	3.	How much additional acreage was disturbed during the past year? None
	4.	Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.
		A surface sampling program is underway. No additional acreage
		has been disturbed.
5.	1	How much acreage was reclaimed during the past year?None
6.		Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.
		No reclamation was performed because of the surface sampling
		program currently underway. As reported in prior reports however, a
		reclamation has been posted with the Dept. of Oil, Gas, and Mining.
		Reclamation for the future in the area is planned at the conclusion of
7.	,	each segmented usage. What is the total disturbed acreage at years end? Same as last years
8.		Briefly summarize any mining and/or reclamation plans for the upcoming year.
		Short term plans include the continuation of the surface sampling
		program with some possible drilling. Later this year the Company intend
		to do mining, prior to which the Company will notify DOGM.
	•	
NOTE:		Section III., "Additional Information" applies only to large mining operations.
III. <u>Additio</u>	nal	d Information
1.		An updated surface facilities map should be attached if there have been significant changes since previous map was submitted.
2.		Any monitoring results or other reports that are required under the terms of the approved notice intention should also be attached.
IV. <u>Signatı</u>	ıre	Requirement
I he	reb	by certify that the foregoing is true and correct.
]	Name (Typed or Print): American Consolidated Mining Co.
		Title of Operator: CEO and Chairman
		Signature of Operator:
		Date: 26th January 1994
